

K-LOVE is very important to my community. It keeps us informed on on faith related happenings, as well as what's new. The people need what K-LOVE provides, The great Christian music and news related to our faith. This station allows me to set a good example to the youth (as well as adults) that I come in contact with. It also helps me personally get thru rough days and keep a good attitude. Please keep it on the air! Thank You, your's in Christ, Ken
